**ROBERTSON®**  
**TOOL GROUP**  
 A DIVISION OF ROBERTSON INC.

Evco and The Robertson® Tool Group are pleased to announce the release of a new premium screw driver bit line. All new premium driver bits are suitable for IMPACT applications and also feature easy identification color rings  
**All Premium IMPACT bits are available in 1" Insert & 2" Power Bits**

**ROBERTSON® IMPACT COLOURED BITS**

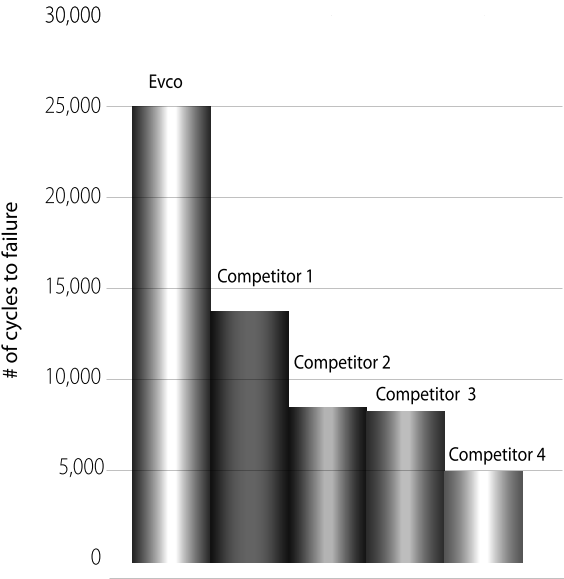

Sizes Available  
 #1, #2 & #3

**TORX® DRIVE**

Sizes Available  
 T10, T15, T20, T25, T27, T30 & T40

**SLOT DRIVE**

Sizes Available  
 #3, #4, #4.5, #5, #5.5 & #6

**PHILLIPS DRIVE**

Sizes Available  
 #1, #2 & #3

**POZI DRIVE**

Sizes Available  
 #1, #2 & #3

All Evco Premium Impact driver bits are made from a specialized modified tool steel, and a proprietary heat treat method to ensure maximum toughness and durability. Each bit features an optimized tip design for reduced slippage and cam-out, while commanding toughness far superior to the competition. Finally... an Impact bit that works the way it's supposed to!

3rd Party Testing Performed By An Independent Lab.

BOX HANDLER	FULL-FINGERED, TACKY PALM, GRIPFLEX™	03-3170-80-	M-XXL

**EXTENSIVE REINFORCEMENT:** The plus series offers great deal of palm and finger coverage, specifically the General Utility and the Carpenter. Further, the PVC based asphalt reinforcement material is a tough, tacky, and supple reinforcement.

**CUFF:** All plus series gloves feature a FlexMesh™cuff which is the most snug, supportive, protective, breathable and comfortable cuff closing system on the market.

**THUMB CUT:** AKA "English Thumb" - The most anatomically correct palm construction on the market prevents bunching between the thumb and index finger. The English Thumb is a 3 - Dimensional design.

ANTI-VIBE	FULL-FINGERED, GRIP-FLEX™, 3mm FOAM IN PALM	03-3200-78-	M-XXL

**CUFF** - The XT Series features a FlexMesh™ cuff which is flared and extended to protect the ulna (lower wrist bone). Some XT styles, like the Anti-Vibe and The Block Handler, have full wrist wraps of comfortable, breathable, locked support.

**TRIPLE COVERAGE** - The XT Series features triple coverage in the palm. The index finger and palm have 2 layers of synthetic leather in addition to the reinforcement. This increases the durability in critical wear areas.

## OPERATING INSTRUCTIONS

### Burnishing:

1. Insert Grabit directly into drill or quick change chuck - Burnishing end showing (cutting end)
2. Set drill for reverse (COUNTERCLOCKWISE)
3. Place Burnishing end of tool into damaged screw, slowly clean inside screw head until smooth. Note: Burnishing tool end is not to be used to drill hole.

### Removing:

4. Remove Burnishing end from chuck, flip tool, replace into drill chuck--Remover end now showing (spiral end)
5. Maintain reverse setting (COUNTERCLOCKWISE)
6. Place Remover end of tool into smooth screw head.
7. Apply firm downward pressure, drill at slow speed. Apply lowest level of power to hand drill.
8. Remover end of Grabit® will thread into screw head and remove.
